Dear Ms. Balderama:

This law firm represents Sue Kelly for Congress (the "Committee"). This letter responds to your Request for Additional Information dated March 18, 2003 sent to Mr. George Sannossian, the Treasurer of the Committee, with respect to the Committee's Amended 30 Day Post-General Report (10/17/02—11/25/02) (the "Amended Report"). The paragraphs below responds to each of the items raised in your Request.

1. Contributions (Schedule A). The Committee has refunded to contributors the amounts of the excessive contributions noted in your Request. Photocopies of the refund checks are enclosed.

The Committee is reviewing its procedures for accepting and processing contributions. In this regard, the Committee utilizes software created by an independent software vendor for filing its reports with the Commission and for accounting and compliance purposes. This software is designed to help campaigns detect contributions in excess of the statutory limits. The Committee has notified the software vendor of this problem and is working with vendor to correct the problem.
